

## **Summer Internship - Engineer**

---

Oxbow Calcining LLC, Enid Plant is currently looking to hire a summer intern to join the Enid Plant.

### **PROGRAM DESCRIPTION**

Our goal is to develop new talent and test candidates for a right 'fit' for future full-time employment. We do this by offering relevant work experience on challenging projects and assignments as well as an assigned mentor from the plant management team. As an intern, you'll have the chance to gain exposure to a manufacturing environment, prepare for a full-time career and confirm or modify your career aspirations. Our internship program will last ten to twelve weeks, and once it's over, you will be evaluated and considered for rehire the following summer or possibly for full-time employment.

### **ROLE AND RESPONSIBILITIES**

Summer interns will report directly to a department manager and will gain knowledge about plant safety, environmental, operations, maintenance, and quality. Other responsibilities will include:

- Assisting with data analysis, trending, reports and corrective actions.
- Developing Preventive Maintenance procedures and AutoCAD drawings.
- Cost tracking of R&M.
- Design and implementation of engineering projects.

### **QUALIFICATIONS AND JOB REQUIREMENTS**

Oxbow seeks to hire individuals who are highly motivated, intelligent and have demonstrated excellence in prior endeavors. To be considered for the 2020 Summer Internship Program, applicants must meet the following criteria as well as be safety oriented and willing to work in a team atmosphere:

- Currently enrolled in an undergraduate program pursuing a Bachelor's Degree in Engineering (specifically in Chemical, Civil, Electrical, Industrial, Mechanical or related field such as Mathematics or Physics).
- Must be a current sophomore or Junior with an anticipated graduation date of fall 2020 to spring 2022. A minimum 3.0 GPA is preferred.
- Proficiency in MS Office Suite and AutoCAD is required.
- Prior engineering project work or internship experience is desired, but not required.
- Superior communication skills with a demonstrated ability to write effectively.

### **APPLICATION PROCESS**

If you're a student looking for an internship we invite you to explore our exciting opportunities. Oxbow is an Equal Opportunity Employer and offers competitive compensation. Qualified applicants please forward a resume and cover letter to [trinity.white@oxbow.com](mailto:trinity.white@oxbow.com). Successful candidate must have ability to work 40 hours per week and have proof of eligibility to work in the United States.
